A new Cadillac goes to #17 hole-in-one golfer. Sadly, nobody won 😞

Dee Fuller, Amphenol, and Larry (Easter Bunny) Keller, SW Marketing, kept watch over hole-in-one hole #17. No cheating today, say these two!

You've got this, **Lauren Wescott, ABB!**

Focused or camera-shy?

Meet you at the star, **Jaime Plank, Category Manager,** and **Kristin Matuga, Molex.**

Say cheese, Bert Johnston, Sr. Product Manager; 2019 APEX winner Amy Draudt, Belden; and John Pearson, Brady.

David Kamm, Director of Pricing & Quotes, putts while Cameron Ward (SVP, Global Electronics) and Joshua Arduis (Panasonic) keep quiet.

Tim Smith (Alpha Wire), Mark Simon (VP of Business Development), Dan Schuster (Altech), and Mark Snyder (Festo) play a fierce round.

A big “thank you” to ABB for breakfast *and* lunch.

Thank you, **Siemens**, for sponsoring the **Dan Boever Show**.

Dan Boever, golf guru, wows the crowd after lunch.

The crowd is diggin' Dan.

Tee-rific game, 1st Place winners: Patti Crozier, VP of HR; Leo Taylor, Managing Director at Marsh
