RS PRO Ventilated Rackmount Enclosure, 4U, 84 HP, Height 177mm, 425mm Deep

RS Stock No.: 665-7722

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the RS PRO PF19 Rackmount Enclosures, a high quality and heavy-duty electronic enclosure series, suitable for a wide range of uses. Constructed from a mixture of high grade rolled steel and lightweight aluminium panels, these rackmount enclosures offer a sturdy construction and combined with the tough powder-coated finish, provide long-lasting life of the product even in harsh environments. The enclosures are easy to use and assemble, thanks to the precision workmanship and well-engineered design. In addition to this, the high-quality materials that are used to manufacture this RS PRO enclosure offer a strong and aesthetically-pleasing finished product, suitable for a wide range of applications both at home or in industry.
