

Chicago Pneumatic hand carry compressors Small in size but powerful on the job

POWERFUL and **ULTRA- COMPACT**, the Easy Air weighs in at a super light 22 lbs. The Easy Air features a reliable source of air when a larger air compressor is either not available or feasible. This compressor is oil less, which means zero risk of contaminated air, zero chance of oil spills, and less maintenance.

Tank Size	Portability	Drive	Horsepower	Lubrication	Weight	
1.6 Gal	hand carry	belt drive	1.5	oil less	22 lbs	
Max Working Pressure		CFM @ 40 PSI	CFM @ 90 PSI	Soun	Sound Level	
115 PSI		3.0	2.0	74 +-	74 +-3 dB(A)	

1.6 Gallons 115 Max PSI

2 CFM @ 90 PSI 74 dBA
