# RS PRO VDE Slotted; Phillips; Pozidriv Screwdriver Set 10 Pieces

RS Stock No.: 253-015

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## **Product Description**

Our RS Pro 10 Piece Insulated Screwdriver Set has been designed and manufactured with durable chrome-molybdenum vanadium steel. The generous sized, easy grip handles are soft to touch and are made up of anti-slip thermoplastic rubber (TPR). Our screwdriver kit has been designed to meet the VDE standards, which means that this set is safe to use when working with electricity making it the perfect option for users that work within an electrical environment. Our RS Pro Screwdriver Kit has a wide variety of tip types, sizes and lengths which offer a solution for most commercial or industrial situations.
