Swing-Out Wall Mount and Floor Rack Cabinet *HWF Series*
UL2416 rated for up to 700 lbs (317 kg). Static Load tested to 2,800 lbs (1,270 kg).

Features

- Available in three (3) heights
- HWF mounts to the wall and sits on the floor supported by leveling feet. The swing-out section is support by casters.
- Optional doors install in minutes and are available in vented, tinted window and solid.
- Top of rear section includes a "Bonus" 3U space for optional rack mount fans or accessory mounting.
- Main body can be installed to swing from left-to-right or right-to-left. Includes locking twist-latches.
- Includes one (1) pair of adjustable depth threaded 10-32 EIA compliant mounting rack rails.
    - Thirty (30) inch wide mounting rails include "Bonus" 1U space for optional rack accessories, such as cable management or power bars.
    - 10-32 tapped rails are easy to remove on-site and replace with square hole rails (sold separately) if needed.
- Includes starter pack of **SCREW1032-50** screws and **CLPKIT1032-25** clip nuts and screws.

Specifications

- Heavy duty rear and base are constructed in 14-gauge welded steel.
- Optional locking doors are constructed in 16-gauge steel.
- Swing-out cabinet constructed in 16-gauge welded steel and features a spring-hinge pin for easy installation and removal.
- 2.50" and 2.00" conduit knockouts are located on the side.
