RS PRO 15 pieces Hex Key Set, L, T 9mm Ball End, Hex Screwdriver

RS Stock No.: 833-5913

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing our RS Pro 15 piece, long arm hex key set made for professional precision. Sometimes called an Allen key, these keys work with corresponding fasteners to give a unique and secure connection in wood, metal or plastic assemblies. The set comes complete with an EVA foam tool module, which can be used with our RS range of roller tool cabinets and chests and is designed to be easily stored and removed in tool cabinet drawers.
