RS PRO Precision Slotted; Phillips Screwdriver Set 11 Piece

RS Stock No.: 537-883

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Our RS Pro 11 Piece Miniature Precision Screwdriver Set is designed and manufactured with premium quality black phosphate for extra strength. All screwdrivers in the set feature an ergonomically designed handle which promotes ease of use and super grip. The screwdrivers have a revolving head, which helps the user achieve precise and accurate control. The 11 pieces in the set also have blackened steel shafts, nickel plated bodies and a steel blade.
