

FBBOX-GY

Concrete Floor Box System

2-Gang Concrete Floor Box System, 6.25" tall PVC Box with 2" Data Entry and 1.25" Power Entry

UPC Code : 078477811771

Country Of Origin : Mexico

Delivering the power you need, where you need it. This is not just a floor box. Leviton delivers the whole solution; providing access to power connectivity and high-performance network infrastructures for every commercial setting. It can be used with finished floors made of wood, tile, vinyl, terrazzo, carpet and concrete in settings such as education, offices & health care facilities, retail, and hospitality. The Leviton Concrete Floor Box System includes:

- PVC Floor Box
- Power and Data Conduit Reducers
- Low Voltage Divider
- Protective Cover with Bullseye Leveling Indication
- Elevation Screws

**Leveling ring and top plate are sold separately.*
