RS Stock No.: 176-9367

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Rechargeable NiMH (nickel-metal) battery pack from our own brand RS PRO are a great addition to your household. These Rechargeable Batteries provide approximately 75% of the capacity of alkaline batteries at low drain rates and can surpass alkaline performance in high drain applications. Even though battery life is limited to 5 years or less, NiMH batteries can be recharged hundreds of times, potentially equivalent to hundreds of alkaline batteries. It's not only convenient but economical as well. Also it comes with a 6 months guarantee.
