

# Product Details

6W AC-DC Interchangeable Plugtop Power Supplies

Universal Input 90~264V AC 47~63Hz

2.1 x 5.5mm connector

Supplied with 4 interchangeable AC plugs (UK, Euro, US, Aust)

# Specifications

Attribute	Value
Input Voltage	100 → 240V ac
Output Voltage	5 V
Output Current	1.2A
Regulated/Unregulated	Regulated
Plug Type	Interchangeable
Power Rating	6W
Number of Outputs	1
Length	65mm
Cable Length	1.8m
Ripple And Noise	300mV
Output Voltage Adjustment Range	4.75 → 5.25V
Application	General Purpose
Minimum Temperature	0°C

Input Frequency Range	47 → 63Hz
Width	38mm
Holdup Time	10ms
Power Signal Conversion Type	AC-DC
Series	25HK-AP
MTBF	50000h
Energy Efficiency Level	VI
Efficiency	75%
Maximum Temperature	+40°C
Protection Features	Input Protection, Output Protection, Short Circuit Protection
Maximum Input Current	200mA
Line Regulation	±2%
Depth	35mm
