Datasheet

BNC straight plug-plug RG59 coaxial cable, 1 m (1222148)

List Nomenclature

1 BNC straight plug connector

2 Coaxial Cable

RG59/U

3 Black Protective Sleeve

Electrical Specifications

Impedance **75 ± 2 Ω**

Operation Frequency **DC to 1.50 GHz**

Velocity of Propagation **66%**

Voltage Withstand **1200 V**

Insertions Losses

Frequency(MHz)	50	400	600	800	1000
Insertion Losses max(dB/m)	0.73	0.25	0.40	0.66	0.58

Mechanical Specifications

Inner Conductor **Multi-Brain WCS** **0.64 mm**

Dielectric **PE** **φ =3.71 mm(0.146 in)**

Outer conductor **copper 96% recovering**

Jacket **PVC** **φ =6.15 mm(0.242 in)**

Environmental Specifications

Operating Temperature Range **- 20°C+80 °C**

Conditions of delivery

Mechanical check **Length**

Electrical test **Continuity / Rigidity**
