Illuminated Green SPST Rocker Switch, On-Off

RS Stock number [273-306](#)

Description:

Circular Rocker Illuminated Switches (dc & ac).

- Single pole on-off round illuminated rocker switches
- Snap-in mounting
- Panel cut-out: 19.4mm
- Electrical life: 10000 cycles
- Insulation resistance 100M Ω min at 500Vdc

Specifications:

Actuator Colour:	Green
Case Material:	Nylon
Contact Configuration:	SPST
Contact Material:	Silver Nickel Alloy
Contact Resistance:	30m Ω
Illuminated:	Yes
Maximum Operating Temperature:	+125°C
Minimum Operating Temperature:	-25°C
Mounting Type:	Panel Mount
Panel Cut Out Diameter:	19.4mm
Panel Cut Out Size:	19.4mm
Switch Operation:	On-Off
