ENGLISH

RS Pro IP44 Blue Cable Mount 2P+E Industrial Power Socket, Rated At 16A, 250 V ac

Product Details

Free Sockets - Straight with Cable Gland

Cable mounting free sockets for industrial applications. The outer casing of these straight sockets is made from engineering plastic and has a cable gland design to provide external clamping. These industrial sockets conform to the latest requirements of British and European standards.

Lid equipped with special tab to facilitate single hand opening

Cable gland design provides external clamping

IP44 rating

Screw terminals accept conductors up to 2.5mm² for 16A and 6mm² for 32A types

Halogen free

Note

The 16A industrial sockets have an additional safety device like the protection installed on household sockets, i.e. by means of an appropriate shutter, it closes the input of the socket contact tubes and prevents accidental and voluntary contact of live parts of the socket with slim objects, such as screwdrivers or wires.

Standards

EN 60309-1, EN 60309-2

Specifications:

Current Rating	16A
Pole Format	2P+E
Plug/Socket	Socket
Voltage Rating	250 V ac
Mounting Type	Cable Mount
Colour	Blue
IP Rating	IP44
Gender	Female
Body Orientation	Straight
Cable CSA	2.5mm ²
Termination Method	Screw Down
