## Technical data

| <b>Mechanical data</b>                   |                                   |
|--|-----------------------------------|
| Design                                   | Rectangular                       |
| Mounting dimension, width                | 41 mm                             |
| Reflection surface width                 | 37 mm                             |
| Mounting dimension, height               | 60 mm                             |
| Reflection surface height                | 56 mm                             |
| Mounting dimension, thickness            | 8 mm                              |
| Triple reflector size                    | 4 mm                              |
| Reflector material                       | Plastic                           |
| Material of base material                | Plastic                           |
| Chemical designation, reflector material | PMMA8N                            |
| Structure, active surface                | Triple                            |
| Net weight                               | 14 g                              |
| Type of fastening                        | Adhesive<br>Through-hole mounting |

| <b>Environmental data</b>      |               |
|--------------------------------|---------------|
| Ambient temperature, operation | -40 ... 70 °C |

| <b>Certifications</b> |       |
|-----------------------|-------|
| Degree of protection  | IP 67 |

| <b>Classification</b> |          |
|-----------------------|----------|
| Customs tariff number | 90029000 |
| eCl@ss 8.0            | 27279203 |
