

Light Duty Floor Cable Protector

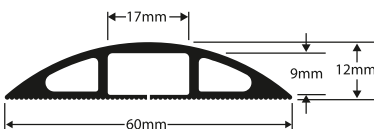

Light Duty Floor Cable Protectors are popular as a temporary solution to cover cables across open areas with light foot traffic.

The 17 x 9mm cavity can accommodate up to 2x 8mm outer diameter flex cables.

This cable protector can effectively protect cable insulation from risk of damage, while addressing a cable trip hazard.

- Ideal for areas with light foot traffic
- Address a common cause of trips, tugs and falls
- Can protect up to 2x 8mm diameter cables
- Ribbed non-slip base, pre-split rear for ease of use
- Flexible PVC - Supplied coiled in box; simply uncoil to lay flat
- Fully safety tested, and certified to BS EN 60670-1:2005
- Easy to cut, if shorter lengths are required
