

Datasheet

RS PRO USB 2.0 A Female to USB 2.0 B Female

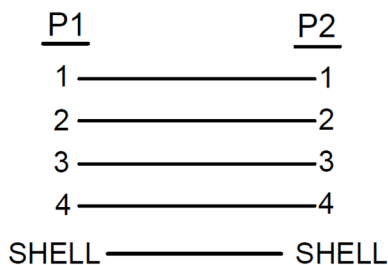

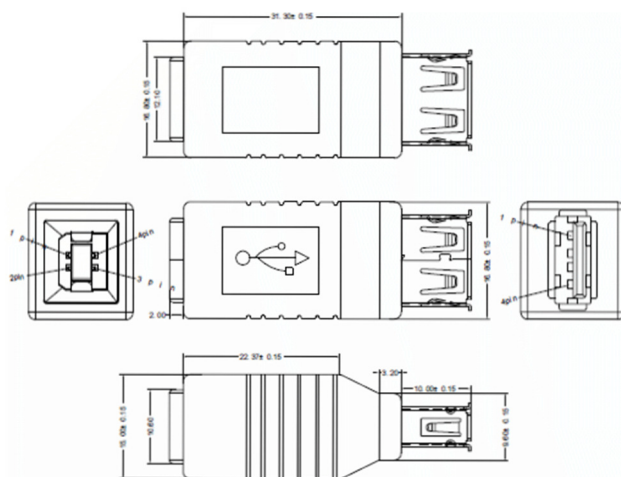

Stock number: 182-8480

EN

The RSPRO USB 2.0 A female to B female adapter has a PVC black hood and PE insulation.

There are 5 internal wires which are made from 28AWG copper wire.

This adapter is to convert a USB 2.0 A male to a USB 2.0 B female. This could be used with a device such as a flashdrive.

P1:USB 2.0 A female

P2:USB 2.0 B female
