Datasheet

**Stock No: 9184769**

**RS Pro Large pressure mat, 720 x 560 x 3mm**

### Specifications

- Normally open with supervisory loop
- 25Kg over 50mm<sup>2</sup> actuation pressure
- Maximum switching voltage 25 V/DC
- Maximum switching current 0.25 Amps DC (Resistive)
- Carry current Max 0.25 Amps DC (Resistive)
- Maximum power 10 W/VA
- Ingress protection IP64 (Not waterproof)
- Contact resistance 1 Ohm (typical)
- Operating temperature -10° to +70° Celsius
- Seem welded PVC material
- 0.22mm<sup>2</sup> black PVC insulated cable
