

Datasheet

RS Pro 2m power cord, Right Angle C15 to UK Plug (BS 1363)

RS Stock No: **744-0950**

Product Details

RS Pro power cord in black colour, has right angle C15 connector A on one end and UK plug (BS 1363) on the another end. This 2 m long power cable cord comprises a moulded hot condition C15 style socket and a BS1363/A main plug suitable for use in the UK. This C15 connector is typically used in high temperature appliances such as kettles. The assembly meets the requirements of EN60-320. The IEC socket is manufactured in glass filled polypropylene and the mains cord from rubber, terminating in a PVC moulded BS1363/A 13A square sleeved pins mains plug.

Features and Benefits

- Hot condition mains lead
- H05RR-F cable
- Moulded connectors
