## RS Pro 190mm Standard Aluminium Anti-Static Solder Sucker with PTFE Nozzle

RS Stock No: **557-878**

### Product Details

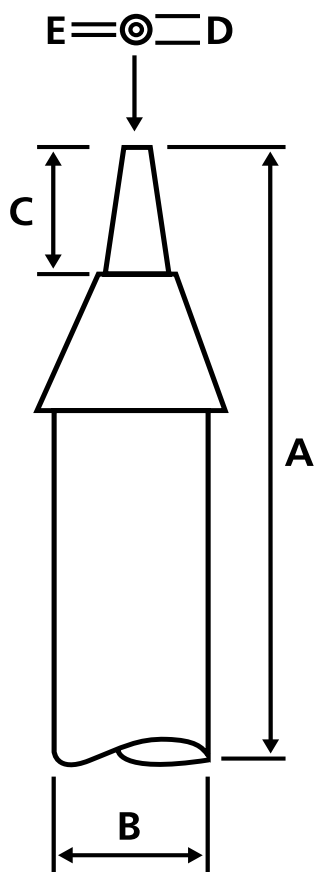

RS Pro 190 mm standard solder sucker with PTFE nozzle, provides efficient solder removal and joint dis-assembly. The fast sucking action is effected via a spring loaded piston, released by a push button and quickly re-primed by plunger. This aluminium solder sucker has anti-static nozzle that ensures excellent component protection.

### Features and Benefits

- Provides efficient solder removal and joint dis-assembly
- Anti-static
- Fast sucking action is effected via a spring-loaded piston, released by a push button and quickly re-primed by plunger

**Specifications:**

Anti-Static	Yes
Body Material	Aluminium
Length	190 mm
Nozzle Material	PTFE
Size	Standard
