

Product availability: Stock - Normally stocked in distribution facility

### Main

|                           |                            |
|---------------------------|----------------------------|
| Range of product          | Magelis SCU                |
| Product or component type | Small touch HMI controller |
| Display size              | 3.5 inch                   |
| Display type              | Backlit LED colour TFT LCD |
| Touch panel               | Analogue                   |
| Device presentation       | Complete product           |

### Complementary

|                            |   |
|----------------------------|---|
| Display resolution         | 320 x 240 pixels QVGA   |
| Backlight lifespan         | 50000 hours 65000 colours   |
| Brightness                 | 16 levels via touch panel   |
| View angle horiz x vert    | 60° left<br>60° right<br>40° top<br>60° bottom  |
| Character font             | Chinese (simplified Chinese)<br>ASCII<br>Taiwanese (traditional Chinese)<br>Korean<br>Japanese (ANK, Kanji)   |
| Supply                     | External source   |
| [Us] rated supply voltage  | 24 V 20.4...28.8 V)DC   |
| Immunity to microbreaks    | 10 ms   |
| Inrush current             | 30 A  |
| Power consumption in W     | 15 W  |
| Local signalling           | No indicator  |
| Number of pages            | Limited by internal memory capacity   |
| Software designation       | SoMachine   |
| Operating system           | Magelis   |
| Processor name             | CPU RISC  |
| Processor frequency        | 333 MHz   |
| Memory description         | Flash NAND, 128 MB<br>Internal data storage FRAM, 128 kB<br>Application run DRAM, 128 MB  |
| Integrated connection type | 1 serial link - RJ45 - RS232/RS485 <= 115.2 kbits/s)<br>1 Ethernet TCP/IP - RJ45<br>1 USB 2.0 type mini B<br>1 USB 2.0 type A<br>CANopen master bus - SUB-D 9 |
| Realtime clock             | Built-in  |
| Downloadable protocols     | Modbus TCP/IP<br>CANopen<br>Modbus  |
| Fixing mode                | By 1 nut Ø 22 mm 1...6 mm thick panel   |
| Enclosure material         | PC/PBT  |

The information provided in this documentation contains general descriptions and/or technical characteristics of the performance of the products contained herein. This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications. It is the duty of any such user or integrator to perform the appropriate and complete risk analysis, evaluation and testing of the products with respect to the relevant specific application or use thereof. Neither Schneider Electric Industries SAS nor any of its affiliates or subsidiaries shall be responsible or liable for misuse of the information contained herein.

| IP degree of protection               | IP20 IEC 60529 rear panel)<br>IP65 IEC 60529 front panel)   |
| NEMA degree of protection             | NEMA 4X front panel   |
| Pollution degree                      | 2 IEC 60664   |
| Environmental characteristic          | Corrosive gas free  |

## Ordering and shipping details

|                     |                         |
|---------------------|-------------------------|
| Category            | 22568 - HMI CONTROLLERS |
| Discount Schedule   | MC2                     |
| GTIN                | 00785901296928          |
| Package weight(Lbs) | 1.19 kg (2.62 lb(US))   |
| Returnability       | Yes                     |
| Country of origin   | CN                      |

## Offer Sustainability

|                            |  |
|----------------------------|--|
| Sustainable offer status   | Green Premium product  |
| REACH Regulation           | <a href="#">REACH Declaration</a>  |
| EU RoHS Directive          | Pro-active compliance (Product out of EU RoHS legal scope) <a href="#">EU RoHS Declaration</a>                               |
| Mercury free               | Yes  |
| RoHS exemption information | <a href="#">Yes</a>  |
| China RoHS Regulation      | <a href="#">China RoHS Declaration</a>   |
| Environmental Disclosure   | <a href="#">Product Environmental Profile</a>  |
| Circularity Profile        | <a href="#">End Of Life Information</a>  |
| WEEE                       | The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins. |

## Dimensions

Recommended Mounting position

- (1) Horizontal mounting
- (2) Vertical mounting

No Recommended Mounting Position

Clearance

Keep adequate spacing for proper ventilation to maintain an ambient temperature between 0...50 °C (32...122 °F) for horizontal installation and 0...40 °C (32...104 °F) for vertical installation.
