

Die Cast Industrial Panel PCs

Maple Systems Die Cast Industrial Panel PC series offers a Windows operating system with the flexibility of customized application programming. Choose from a variety of software application programs like InduSoft Web Studio to help you achieve complex process goals. Unlock the potential of your process with Maple Industrial Panel PCs.

High-Resolution Touchscreen

Our Die Cast Industrial Panel PCs possess color TFTs with maximum resolution to display high-clarity screens. Four-wire analog resistive touchscreens have a touch accuracy of $\pm 2\%$ linearity and a lifespan of over one million activations under normal use. LED backlight provides a lifespan over 50,000 hours. Contact our sales team for available upgrades.
