

Sunpak

6630LX

Highlights

The Sunpak 6630LX is a top rated, medium duty tripod for any cameras, smartphones and GoPro. This medium duty tripod is designed to work with digital cameras with weights up to 6.6 lbs and extends up to a full 66". With its geared center column and flip-lock leg locks, setup is quick and easy. Some other features that the 6630LX offers include an ultra-smooth, 3-way photo/video pan head with a built-in bubble level, neoprene leg wraps, leg braces for added stability and heavy duty self-leveling rubber feet. It also comes with adapters for smartphones and GoPro.
