

1) not included in scope of delivery, 2) Lateral offset, 3) Distance to BTL

**Environmental conditions**

Ambient temperature	-40...85 °C
Storage temperature	-40...85 °C

**General data**

Principle of operation	BTL magnets, profile style
Version	floating

**Material**

Housing material	POM
------------------	-----

**Mechanical data**

Dimension	55 x 20 x 21 mm
Lateral offset max.	15 mm
Mounting	Cylinder head screws M4x35
Weight max.	40 g
