

SETRON, cylindrical fuse holder, 22x58 mm, 1-pole, In: 100 A, Un  
AC: 690 V

| Model                                   |                         |
|-----------------------------------------|-------------------------|
| Product brand name                      | SETRON                  |
| Product designation                     | Cylindrical fuse holder |
| General technical data                  |                         |
| Number of poles                         | 1                       |
| Size of fuse link                       | 22 x 58 mm              |
| Supply voltage                          |                         |
| Operating current / at AC / rated value | 100 A                   |
| Operating voltage                       | 690 V                   |
| • at AC / rated value                   |                         |
| Protection class IP                     | IP20                    |
| Mechanical Design                       |                         |
| Height                                  | 117 mm                  |
| Width                                   | 36 mm                   |
| Depth                                   | 70 mm                   |
| Net weight                              | 154 g                   |
| Certificates                            |                         |
