

3M™ SecureFit™ 500 Series

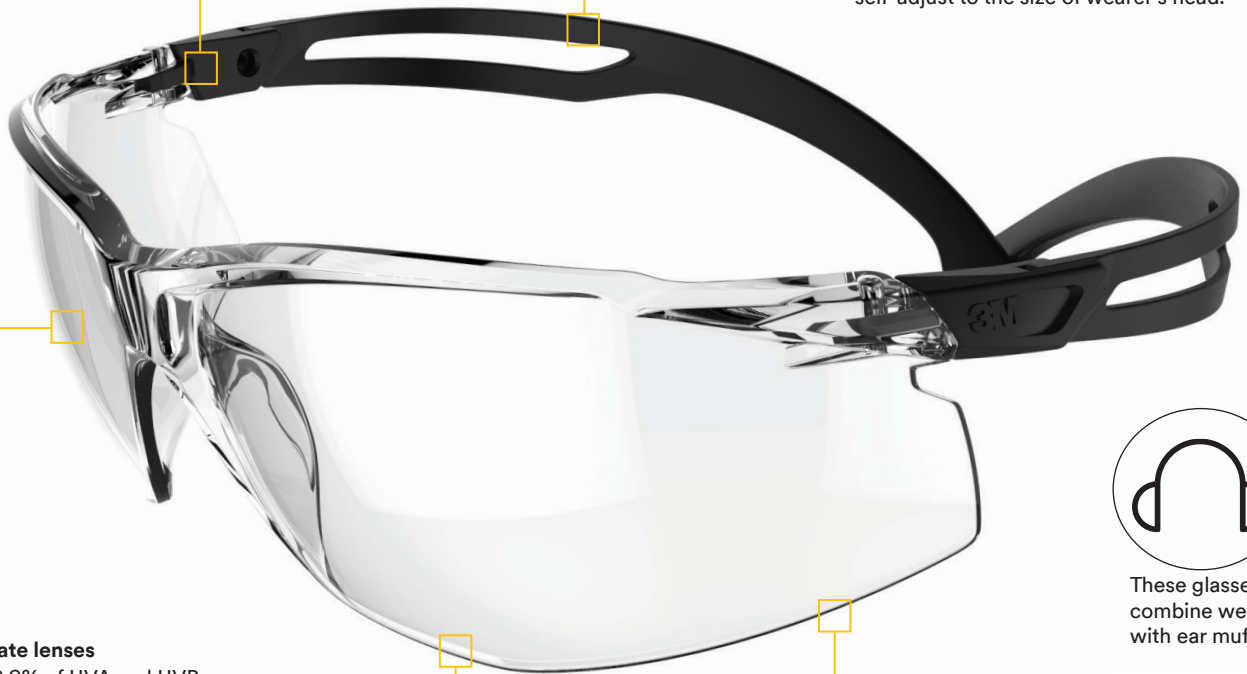

Contemporary lens design with adjustable ratchet temples.

3M™ SecureFit™ 500 Series provides a comfortable fit with a slim standout style. These lightweight safety glasses feature a rimless polycarbonate lens available with anti-fog/anti-scratch protection. Find the model that's right for you.

Adjustable ratchet temple allows user to adjust lens for facial features and eyeglass position.

3M™ Pressure Diffusion Temple Technology features slotted ribs that provide comfortable pressure equalization. The temples flex and self-adjust to the size of wearer's head.

Polycarbonate lenses

- ▶ Absorb 99.9% of UVA and UVB rays.
- ▶ Meet the requirements of ANSI Z87.1-2015 Standard as an Impact Rated Spectacle.

Lightweight eye protection

These contemporary safety glasses weigh just 22 g and offer a sleek, stylish look.

Slim standout style with contemporary lens shape.

These glasses combine well with ear muffs.
