

24 Port 1U Rackmount Cat 6 110 Patch Panel

Product ID: C6PANEL24

The C6PANEL24 24-port 110-type Rack Mount Cat 6 Patch Panel is color coded for both T568A and T568B wiring providing the perfect solution for any voice or LAN application.

For hassle-free connections, the patch panel offers straight Cat 6 ports with 110-type termination, making it easy to insert and remove your cables. The 24-port patch panel also offers a quick and easy way to identify your cable runs, with port numbers clearly marked on the back of each RJ45 port, and a writeable/erasable marking surface for each port on the front of the panel for efficient system management.

Durably constructed of only top quality materials, this 24-port Network Patch Panel is backed by StarTech.com's 2-year warranty.

Certifications, Reports and Compatibility
