

Cat6 Ethernet Patch Cable with Snagless RJ45 Connectors - 8 ft., Orange

Product ID: N6PATCH8OR

This Cat6 cable delivers reliable Gigabit network connections, which ensures high-performance capability for your demanding Ethernet applications.

Find the length and color you need

This 8-foot orange patch cable is perfect for standard applications such as connecting from a wall jack to your laptop docking station or desktop computer.

For easier network installations, our Cat6 patch cables are available in a wide variety of lengths and colors. This ensures you have the right size of cable available when you need it and it lets you color code your connections for a more organized setup.

Snagless RJ45 clips help protect your network connections

For trouble-free cable runs, this durable cable features snagless connectors that protect the RJ45 clips during installation, making them less likely to snag or break.

www.startech.com 1 800 265 1844

The cable also features molded boots which offer connector strain relief by stopping the RJ45 connector termination points from bending at sharp angles. This reduces the risk of damage to the cable, which could decrease network connectivity and performance.

100% copper for outstanding value

Get the highest value for your cable investment with our Cat6 Ethernet cables. Each of our patch cables is manufactured using high-quality copper conductors and they are carefully constructed and tested, to keep Near-End Crosstalk (NEXT) well within acceptable limits.

24-gauge wire for high-performance network connections

Ensure high-performance capability for your demanding Ethernet applications, such as Power-over-Ethernet and 4K or 1080p video streaming, using cables that include 24 AWG copper.

50-micron gold connectors provide peak conductivity

You can rely on our RJ45 connectors to deliver optimum conductivity while eliminating signal loss due to oxidation or corrosion.

The N6PATCH8OR is backed by StarTech.com's lifetime warranty for guaranteed reliability.

Data Sheet

Certifications, Reports and Compatibility

Applications

- Designed for use with Gigabit networks
- Patches from hub to distribution panel
- Connects workstation to wall outlet

Features

- RJ45 connector-clip protectors eliminate cable snags and breaks during installation
- Orange PVC jacket for color coding your connections
- 8 ft. in length
- Molded RJ45 connectors prevent cable damage and also provide strain relief
- 50-micron gold-plated connectors for a clear signal
- High-quality 24 AWG copper wire
- ETL verified

Data Sheet

What's in the Box	Included in Package	1 - Cat6 patch cable
	Shipping (Package) Weight	4 oz [114 g]
	Package Width	7.9 in [20 cm]
	Package Length	8.7 in [22 cm]
Packaging Information	Package Height	0.4 in [10 mm]
	Wire Gauge	24 AWG
	Weight of Product	3.6 oz [102 g]
	Product Length	8 ft [2.4 m]
	Conductor Type	Stranded Copper
	Color	Orange
Physical Characteristics	Cable Length	8 ft [2.4 m]
	Connector B	1 - RJ-45 Male
Connector(s)	Connector A	1 - RJ-45 Male
Performance	Cable Rating	CAT6 - 650 MHz
	Wiring Standard	TIA/EIA-568-B.1-2001 T568B
	Number of Conductors	4 pair UTP
	Fire Rating	CMG Rated (General Purpose)
	Connector Plating	Gold
	Cable Type	Snagless
Hardware	Cable Jacket Type	PVC - Polyvinyl Chloride
	Warranty	Lifetime

Product appearance and specifications are subject to change without notice.
