

Wireless Infrared IR Remote Control Extender - 330ft (100m)

Product ID: IREXT2

The IREXT2 Wireless IR Extender Kit lets you extend an Infrared signal from a remote control by up to 330ft (100m).

Using a radio frequency that can operate through walls, doors, and around corners, the remote control extender lets you control your A/V devices from greater distances or even from another room. This adds configuration versatility for multi-room or outdoor applications, without having to move within range of your remote controlled device.

The remote control extender is comprised of two units - one local IR remote extender, which accepts the incoming IR signal from the remote control and wirelessly transmits it to the second IR remote control Receiver unit positioned near the controlled device.

The IREXT2 Infrared Extender is backed by StarTech.com's 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Control any IR-equipped consumer electronics (e.g. DVD players, satellite receivers, cable boxes) products from a different room

Features

- IR signal extension up to 100m
- Compatible with any IR-equipped device
- Kit includes both extender and receiver units

Hardware	Warranty	2 Years
	Cabling	Wireless Ethernet
	Ports	1
Performance	Frequency	433.92 MHz +/-1 MHz
	Frequency Range	IR: 30-60kHz
	Max Distance	100 m / 330 ft
Power	Input Current	0.3A
	Input Voltage	100 - 240 AC
	Output Current	0.2A
	Output Voltage	12 DC
	Plug Type	M
	Power Consumption (In Watts)	2.4
	Power Source	2 AC Adapters Included
Environmental	Operating Temperature	0°C to 43°C (32°F to 109°F)
	Storage Temperature	-20°C to 60°C (-4°F to 140°F)
Physical Characteristics	Product Height	1.4 in [3.5 cm]
	Product Length	3.7 in [95 mm]
	Product Width	2.6 in [67 mm]
	Weight of Product	2.3 oz [65 g]
Packaging Information	Package Height	2.2 in [57 mm]
	Package Length	7.4 in [18.8 cm]
	Package Width	7.3 in [18.6 cm]
	Shipping (Package) Weight	1.1 lb [0.5 kg]
What's in the Box	Included in Package	1 - IREXT transmitter
		1 - IREXT receiver
		1 - IR extender probe
		2 - Power Adapter
		1 - Instruction Manual
