

## 6in 20 Pin Motherboard to 24 Pin ATX Power Adapter - M/F

Product ID: ATX2024FM

The ATX2024FM 20 to 24-pin power supply adapter provides a cost-effective way to connect a 20-pin compatible motherboard to a power supply with a 24-pin connector. The adapter lets you use a newer 24-pin power supply with an older 20-pin motherboard.

### Certifications, Reports and Compatibility

### Applications

- Works as an internal ATX power supply converter

### Features

- Adapter cable converts your existing standard 24-pin ATX power supply to work as a 20-pin ATX power supply
