

Docking Station Mount - VESA Compatible - Steel

Product ID: SSPMSVESA

Create a clutter-free workspace by mounting your docking station or hub, freeing up space on your desktop. This VESA compatible docking station mount makes it easy to attach a compatible StarTech.com dock or hub to the backside of your monitor.

VESA Compatible Mounting Adapter

The docking station mounting plate attaches easily to monitors with a 75x75 or 100x100 mm VESA hole pattern.

Robust Construction

Made in Canada, the sturdy and durable dock and hub mount is engineered from 10 gauge steel (3.3 mm thick).

Versatile Use

The VESA docking station and hub mount works with monitors mounted on a stand, or attached to a monitor arm. The docking station mount provides a great way to free up desk space in offices in business or commercial spaces. It's also ideal for space-constrained areas, including hot desks and shared workstations, cubicles, mobile and wall-mounted workstations, and home offices.

Save Desk Space

This innovative mount is designed to work exclusively with compatible StarTech.com products including:

[4-Port USB-C 10Gbps Hub](#) - USB 3.1 to 3x USB-A + 1x USB-C (HB31C3A1CS)

[4-Port USB-C 10Gbps Hub](#) - USB 3.1 to 4x USB-A - Self Powered (HB31C4AS)

[3-Port USB-C Hub with GbE](#) - USB 3.1 (10Gbps) (HB31C2A1CGS)

Fast and Easy to Install

Using the docking station mounting kit, complete with mounting plate and screws, you can mount your compatible dock or hub to the back of your monitor that is recessed up to 7mm. When installed, the dock mount sits almost flush with the monitor, while still allowing easy access.

SSPMSVESA is backed by a StarTech.com 5-year warranty and free lifetime technical support.

**Certifications, Reports
and Compatibility**

Applications

- Ideal for offices in business or commercial spaces, where the back of the monitor is not customer-facing
- Create more desk space in space-constrained areas, including hot desks, cubicles and home offices

Features

- Save space by mounting your StarTech.com docking station or hub to the back of your VESA compatible monitor
- Attaches to the back of monitors with a VESA 75x75 or 100x100 mm hole pattern
- Robust construction made of strong 10 gauge steel (3.3 mm thick)
- Docking station and hub mounting kit includes VESA mounting plate and screws
- TAA compliant

Hardware	Warranty	5 Years
	VESA Hole Pattern(s)	75x75 mm 100x100 mm
	Special Notes / Requirements	Note When mounting the adapter (recessed): the screws and spacers provided will allow you to mount to a VESA pattern on the back of the monitor that is recessed, to a maximum of 7 mm. If the recessed area is deeper than 7 mm, you will need to use longer screws than those provided.
