

Datasheet

RS Pro Grey Cat5e Cable, Twisted Pair UTP 100m

RS Stock No: 812-4797

Features and Benefits

- 4 pair category 5e, stranded (7x0.16) twisted pair data cables for use in structured wiring systems with speeds up to 100 Mbit/s
- The patch cables are 26 AWG with plain copper conductors with polyolefin insulation
- UTP shielded

Specifications:

American Wire Gauge	26 AWG
Attenuation	37.4 dB
Cable Shape	Twisted Pair
Capacitance	330 pF/100m
Conductor Strand Type	Stranded
Core Strands	7/0.16 mm
Cross Sectional Area	0.14 mm ²

ENGLISH

Length	100 m
Number of Strands	7
Outer Diameter	5.2 mm
Outer Sheath Material	PVC
Sheath Colour	Grey
Shield Type	UTP
Size of Strands	0.16 mm
Standards Met	RoHS Compliant
Voltage Rating	300 V ac
Conductor Material	Bare Copper
Insulator Material	PE
