# 91510-3 - ACTIVE

### AMP

TE Internal #: 91510-3 Portable Crimp Tools, Premium Crimp Tooling, Fixed In Tool, TE Product Specification (114-), Battery / Electric, CERTI-CRIMP Head Assembly

#### View on TE.com >

Application Tooling > Portable Crimp Tools

Tool Grade: Premium Crimp Tooling

Die Sets Type: Fixed In Tool

Specification Type: TE Product Specification (114-)

Certification: Yes - Certificate Included

Power Type: Battery, Electric

### Features

#### Other

Crimp Form-Wire Barrel Type

Tool Grade

Open Barrel - F Crimp

Premium Crimp Tooling

I ool Grade	Premium Crimp Tooling
Die Sets Type	Fixed In Tool
Specification Type	TE Product Specification (114-)
Certification	Yes – Certificate Included
Power Type	Battery, Electric
Tool Туре	CERTI-CRIMP Head Assembly
<b>Product Compliance</b> For compliance documentation, visit the product page on TE.com>	
EU RoHS Directive 2011/65/EU	Out of Scope
EU ELV Directive 2000/53/EC	Out of Scope
China RoHS 2 Directive MIIT Order No 32, 2016	Not reviewed for China RoHS compliance
EU REACH Regulation (EC) No. 1907/2006	Current ECHA Candidate List: JUN 2020

Current ECHA Candidate List: JUN 2020 (209) Candidate List Declared Against: JUN 2016 (169) Does not contain REACH SVHC

Not Yet Reviewed for halogen content

### 91510-3

Portable Crimp Tools, Premium Crimp Tooling, Fixed In Tool, TE Product Specification (114-), Battery / Electric, CERTI-CRIMP Head Assembly

Solder Process Capability

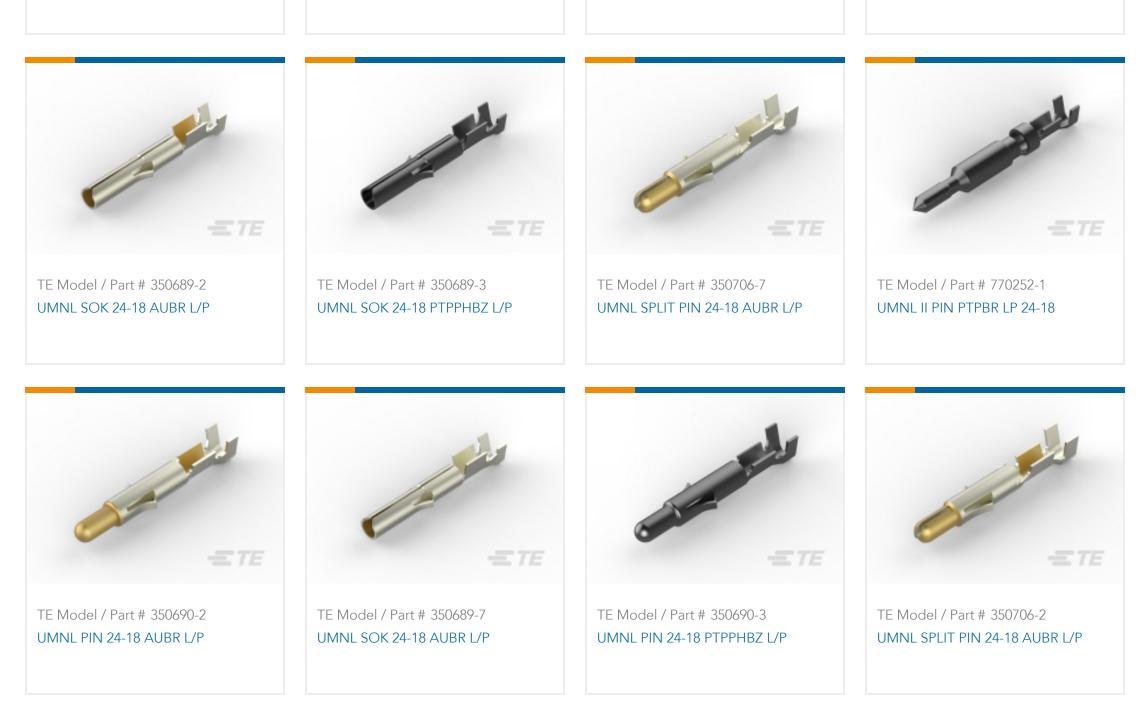

Not applicable for solder process capability

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulations, TE's information on SVHC in articles for this part number is still based on the European Chemical Agency (ECHA) 'Guidance on requirements for substances in articles' (Version: 2, April 2011), applying the 0.1% weight on weight concentration threshold at the finished product level. TE is aware of the European Court of Justice ruling of September 10th, 2015 also known as O5A (Once An Article Always An Article) stating that, in case of 'complex object', the threshold for a SVHC must be applied to both the product as a whole and simultaneously to each of the articles forming part of its composition. TE has evaluated this ruling based on the new ECHA "Guidance on requirements for substances in articles" (June 2017, version 4.0) and will be updating its statements accordingly.
