

# White-Lite

## Tile & Grout Whitener

Cleans and removes stains from algae, mold, mildew, or other nonpublic health organisms. Rain fresh fragrance. Use in shower room walls and floors, shower curtains, and in bathrooms on tubs, basins, and bath mats. Cleans and whitens grouting, ceramic, and glazed tile, making them look like new. Professional strength; use White-Lite where mold, algae, or mildew may be present.

### DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

**Use in well-ventilated areas. Do not mix with ammonia or acids. Contains bleach. Avoid contact with noncolorfast surfaces, fabric, clothing and aluminum. Wear appropriate PPE.**

1. Apply White-Lite by spray or sponge onto surface.
2. Allow solution to set.
3. Wipe with sponge or brush.
4. Rinse with water.
5. Repeat if deep mold and mildew stains reappear.
