

Mystique

Lotionized Hand Soap with Antibacterial Agent PCMX

Thick, silky, creamy white hand cleaner containing the antibacterial agent PCMX. A special blend of surfactants, emollients, and conditioners remove soils with lotion mildness. pH balanced for use on hands and skin. Rich, stable lather leaves skin clean and refreshed. Ideal for use in offices, schools, clinics, industry, health care, health clubs/fitness centers, and restaurants. White lotionized appearance and delightful floral scent create a cleaner, more attractive, environment.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

1. Wet hands and apply small amount of Mystique in palm of hand.
2. Rub hands together briskly, working lather into knuckles, skin creases and around fingernails.
3. Use fingernail brush to remove soil from under nails.
4. Rinse with water.
