### Oil Resistant Anti Vibration Pads

RS Pro anti vibration pads are specially compounded mats designed to isolate vibration. They have 5mm wide ribs that run at an angle of 90° to each other on either side to ensure good grip and anti-vibration properties.

RS Part Number	W (mm)	H (mm)	Max Compression Load (kg / cm <sup>2</sup> )
1961314	500	10	1.5
1961315	250	8	2
