

Datasheet DIN Connector Sockets, MER-209/S

RS Stock number 811-8263

Specifications:

Material Body:

2 Pole + Earth **Connection Type:** 250V AC Voltage:

N.A Approvals: N.A. Standard:

Screw-type Mounting:

ME-Socket - Non-illuminated Type:

Type B Socket Type: Mounting: M3 Screw Material For Rubber Gasket: Nitril / Silicon Nylon-6 GF

PG-9 Gland Size:

Black, Grey **Body Colours:**

20 m Ohms max. Contact Resistance (Initial):

Copper Alloy, Tin plated **Current Caring Parts:**

0°C to 90°C Permissible Temp. With/Without Load: 10A, 250VAC Rating: Terminals: Screw-type

2KV AC For 1 Minute. H. V. Breakdown Test: 100 M Ohms min. Insulation Resistance:

Unit mm
