

PRODUCT SPECIFICATION REPORT

Write Away is an ink & graffiti remover specifically formulated to remove ink, marker, pencil, crayon, lipstick, and shoe polish from hard surfaces

WRITE AWAY Ink & Graffiti Remover

PROD. #0324

FEATURES/BENEFITS:

Highly Effective	Quickly removes vandal markings from hard surfaces
No Chlorinated Solvents	The non-chlorinated formula is preferred over ordinary graffiti removers for use in enclosed areas such as public restrooms, buses, hallways, locker rooms, and transportation systems
Made with Natural Citrus Solvents	Pleasant to use and imparts a fresh, natural aroma to cleaned areas
Surface Compatibility	Write Away will not damage most painted surfaces like traditional graffiti removers which are aggressive enough to remove spray paint

APPLICATIONS:

Use Write Away to remove graffiti on surfaces typically damaged by aggressive graffiti removing products, such as painted surfaces, wood paneling and furniture, vinyl seats and wall coverings, Formica, fiberglass and most plastics.

Recommended for use to schools and other educational facilities, government buildings, park and recreational areas, hotels & motels, office buildings, shopping malls and retail stores, sports and recreation complexes, airport and bus terminals, apartment building maintenance, and eating and drinking establishments.
