

Americ® VAF3000A 12" Industrial Confined Space Ventilator—2796 CFM, 1 HP, 115 Volt

- HEAVY-DUTY—ideal for safe and reliable ventilation in confined space environments
- LEGENDARY—greater airflow and superior ventilation
- BEST-IN-CLASS—dual-wall polyethylene housing
- Premium-quality, heavy-duty motor rated for over 100,000 hours of continuous use
- 3-year limited warranty

Product Description

The Americ VAF3000A 12" Industrial Confined Space Ventilator—2796 CFM, 1 HP, 115 Volt is the ideal ventilation solution for confined space environments that require demanding industrial needs. Engineered to produce greater airflow and superior ventilation, it's the right choice no matter the application. The best-in-class dual-wall polyethylene housing is designed to withstand the harshest of conditions, providing years of durability and dependability. The premium-quality, heavy-duty motor is rated for over 100,000 hours of continuous use, providing an unmatched return on investment, and the UL and CSA certifications mean this ventilator will keep you safe. Plus, it's lightweight for easy portability and stackable to save storage space. Includes a 3-year limited warranty.

Safety Tested to UL and CSA Certifications, Exceeding Industry Standards

Premium-Quality, Heavy-Duty Motors Rated for Over 100,000 Hours of Continuous Use

Best-in-Class Dual-Wall Polyethylene Housing

Provides Positive and Negative Airflows (Blows and Extracts)

Lightweight for Easy Portability and Stackable to Save Storage Space

Features and Benefits

- Ideal for safe and reliable ventilation in confined space environments that require demanding industrial needs
- Engineered to produce greater airflow and superior ventilation
- Best-in-class dual-wall polyethylene housing designed to withstand the harshest of conditions, providing years of durability and dependability
- Premium-quality, heavy-duty motor rated for over 100,000 hours of continuous use, providing an unmatched return on investment
- Safety tested to UL and CSA certifications, exceeding industry standards
- Maximum velocity for up to 2769 CFM
- Provides positive and negative airflows (blows and extracts)
- Lightweight for easy portability
- Stackable to save storage space
- Assembled in the USA
- 3-year limited warranty

Key Specs

Model Number	VAF3000A
Brand	Schaefer® Americ®
Warranty	3-year limited warranty
Net Weight (lb.)	32.5
Air Flow (CFM)	2796
Motor Size (HP)	1
Diameter (in.)	12

Variable Speed	Yes
Speed (RPM)	3300
Max. SP (in.)	3
Volts	115
Amps	9.0 / 9.0
Tested	S
