

## Schaefer® SFT-1600 16" Direct Driver Shutter Style Exhaust Fan— 1250 CFM, 1/10 HP, 115/230 Volt

- **SMALL FOOTPRINT**—Low profile for thin-walled buildings and where space is limited
- **DURABLE**—Aluminum blade and rugged PVC shutter for durability and longer life
- **BEST-IN-CLASS**—Heavy-duty totally enclosed and maintenance free motor
- **Convenient**—Mounts flush to the exterior wall
- **2-year limited warranty**

### Product Description

Schaefer®'s shutter-style exhaust fan offers an energy efficient solution to meet low to medium exhaust airflow requirements. This exhaust fan works perfectly in thin-walled buildings requiring exhaust fans with a low profile such as greenhouses.

## Features and Benefits

- Heavy-Duty metal, aluminum, and PVC construction
- Mounts flush to thin exterior walls
- 2-year limited warranty
