Decora Smart Wi-Fi 600W Dimmer

Leviton Decora Smart Wi-Fi 600W Universal LED/Incandescent Dimmer. Works with Amazon Alexa and Google Assistant, No Hub Required.

Control connected devices from anywhere using Wi-Fi, an internet connection and the free My Leviton app; no hub required. Simplify control of the residence by scheduling based on specific times, or sunrise/sunset. Group devices into rooms, and create scenes to activate multiple lights at once. Customize with adjustable fade rates, maximum/minimum illumination levels, and more. Supports dimmable LED and CFL technologies up to 300 Watts, and legacy incandescent lighting loads up to 600 Watts. Multi-location (3-way) dimming is achieved using up to 4 remote units, DD00R-DLZ. Decora Smart devices are designed for countries which follow NEMA standards including the United States, Canada and parts of South America.
