Product Overview & Guides

Trust the WypAll® Brand, the one that sets the standard for excellence. The new WypAll® Reach™ Towel System enables you to clean and disinfect safely and efficiently at a time when hygiene is paramount. The WypAll® Reach™ Towel System is convenient for on-the-go cleaning with a portable handheld dispenser that's perfect for frequently touched surfaces and light-duty tasks. It's a fully enclosed system that keeps the towels clean which helps to reduce the risk of cross contamination. The WypAll® Reach™ Towel System uses single sheet dispensing to help reduce waste - only touch the sheet you use. The dispenser is both portable and mountable. Using the included mounting bracket you can mount the dispenser either up or down to your preference. The innovative design of the dispenser will also compliment your workspace. The new WypAll® Reach™ Towel System keeps hygiene close at hand. Trust the WypAll® Brand to set the standard for excellence.
