Product Overview & Guides

Scott® Pro provides state of the art solutions to maximize productivity. Providing the right, hygienic supplies in the restroom is a priority for businesses – it shows your staff and visitors that you care enough to provide what they need. By providing Scott® Pro Liquid Hand Soap, you're helping stop the spread of germs. This luxurious, moisturizing pink liquid foam soap has a subtle floral scent and comes in a sealed container. Because the dispenser is high-capacity, it's a popular choice for use in washrooms in office buildings, healthcare environments, high-traffic areas, hospitality, lodging, commercial spaces and much more, saving you time and maintenance. The easy-to-load cassette is designed to be compatible with Kimberly-Clark dispensers, and the bottle is recyclable (after the pump is removed). Buy it in bulk so you'll always have a refill and reduce the risk of running out. Providing this reliable hand soap helps give your guests what they need to stay clean and healthy. Compatible with The Kimberly-Clark Professional ICON™ dispensing system with interchangeable faceplate technology - available for paper towels, skin care, and toilet paper dispensers found in the ICON collection.

Two 1.2 liter E-Cassette bottles per case; Scott® Pro Liquid Hand Soap is a luxurious, moisturizing pink foam soap, featuring a pleasant floral scent

This foaming Scott® Pro Brand soap is an important step in the washroom experience and ideal for use in commercial, high-traffic areas; the high-capacity, wall mount container lasts, reducing maintenance time and cost

The sealed container keeps the liquid hand soap free of contaminants, and the bottle is recyclable (after pump is removed)

Use Scott® Pro Liquid Hand Soap with a compatible Kimberly-Clark Professional™ dispenser for consistent dispensing

The easy-to-load bulk cassette clicks right into place, simplifying your maintenance
