### Product Overview & Guides

Scott® Essential provides reliable balance of efficiency, performance and value. Maintaining a clean, fresh-smelling restroom is essential to your business's quality image. The Scott® Essential Continuous Air Freshener System is easy with five fresh fragrance options, including the Summer Fresh scent. The Scott® Essential Air Freshener Refill gives you continuous, unobtrusive dispensing (unlike sprays). The automatic air freshener acts as an effective odor neutralizer, which works for 60 days. The entire system is economical and easy – it takes less than one minute to install the compatible wall mounted Kimberly-Clark™ dispensers and with the passive system, there are never any batteries to buy. Because it is non-aerosol (doesn't contain propellants or added VOCs), it's preferred by environmentally conscious businesses. When you're ready to give your restroom guests even in commercial or industrial business settings) a refreshing scent experience, choose the effective Scott® Essential Continuous Air Freshener System.

The Scott Essential Air Freshener Refill (6 cartridges per case), in fresh Summer Fresh Scent, offers an economical, effective odor neutralizer, designed to work with an easy-to-use wall mounted dispenser

This automatic air freshener lasts for up to 60 days on a single cartridge

The continuously dispensing system works around the clock

This system is low-maintenance: it's self-powered (no batteries to replace) and changing the cartridge is a snap with one-minute installation

This commercial, non-aerosol air freshener is designed to fit into compatible Kimberly-Clark Professional dispensers. They are ideal for business or industrial restrooms
