Product Overview & Guides

Scott® Pro provides state of the art solutions to maximize productivity. Did you know that 98% of workers are affected by minor illnesses each year? Not only that, an estimated 80% of infectious illnesses are spread through hands and surfaces. You can help reduce the risk by using Scott Pro Moisturizing Foam Hand Sanitizer. It effectively kills up to 99.99% of germs on hands in 15 seconds, all without the use of water. The clear 62% ethyl alcohol formula dispenses in luxury foam and has a refreshing cucumber fragrance. The antimicrobial formula contains moisturizers and conditioners to hydrate the skin. In the bulk refill cassette format, this no rinse hand sanitizer is designed to fit in compatible Scott Pro dispensers. Make it convenient for your employees and guests to use hand sanitizer when they visit your business! Compatible with The Kimberly-Clark Professional ICON™ dispensing system with interchangeable faceplate technology - available for paper towels, skin care, and toilet paper dispensers found in the ICON collection.

Two 1,200 mL cassettes per case; Buy it in bulk to reduce the risk of running out

Scott® Pro Moisturizing Foam Hand Sanitizer is an antimicrobial foam with 62% ethyl alcohol to help reduce the risk of spreading germs on hands

It kills up to 99.99% in 15 seconds of the most common bacteria

The refill container is designed to dispense small amounts of foam at a time, so your guests and employees get what they need; Fits with compatible Scott Pro dispensers

This no rinse formula contains moisturizers and conditioners to help hydrate the skin; The clear foaming formula features a fresh, cucumber fragrance

About Scott®

Very few locations within a facility impact satisfaction as much as the restroom. A negative experience can have a truly damaging effect on your reputation. Scott®, one of the world's most recognized restroom brands, offers solutions designed to help you increase productivity, enhance your image, and improve employee, patient and guest satisfaction.
