Product Overview & Guides

KleenGuard™ Personal Protective Equipment (PPE) enables rather than inhibits – allowing for maximum productivity and safety for you and your employees. KleenGuard™ A10 Light Duty Shoe Covers are a terrific choice when you need to provide economical, disposable protection for workers who are exposed to dirt and grime in the workplace. They are protective wear designed for entry-level protection from hazardous dust and feature a skid-resistant bottom. The fabric is made of five layers of stacked barrier protection, for a lightweight, breathable protective shoe cover. These blue, disposable shoe covers are size Extra Large (XL) and have elastic all the way around. They are a popular choice for food processing, general maintenance, manufacturing and in clean rooms. Making the right Personal Protection choice is difficult. Perform with distinction with KleenGuard™ Personal Protective Equipment (PPE).

300 shoe covers / case; Extra Large (XL); Blue

KleenGuard™ A10 shoe covers are designed to protect against dirt, grime and dust

A10 shoe guards are made with breathable barrier fabric (lightweight polypropylene material)

A10 shoe covers are fully elasticized, have serged seams and are designed to be "low skid"

Meets ANSI/ISEA 101-1996 sizing standards

About KleenGuard™

We understand how workers move, work, stretch and sweat. We call it human-centric engineering. And it's this industry-changing technology that separates KleenGuard® brand protective clothing, eye protection and hand protection from other PPE.
