

# *inLIGHT Illuminated Hospital Grade Receptacles*

*Highly visible LED faces*

*Superior performance*

*Installation efficiency*

Hubbell's inLIGHT illuminated hospital grade receptacles are the latest addition to our already broad line of wiring devices. Designed with safety in mind, the LEDs let users know there is power present.

An industry first, the inLIGHT receptacle combines all of the installation benefits of the modular SNAPConnect device system with the convenience, flexibility and best-in-class performance of Hubbell hospital grade receptacles! inLIGHT receptacles are an ideal upgrade opportunity to complement standard SNAPConnect devices on hospital and patient care projects. SNAPConnect inLIGHT duplex receptacles install using the standard receptacle SNAPConnector, making an upgrade to an inLIGHT receptacle a snap!

## **FEATURES**

- Fully illuminated duplex faces
- Hospital grade tamper resistant devices
- SNAPConnect termination for a fast and efficient installation

## **APPLICATIONS**

- Hospitals
- Offices
- Patient care locations
