

## Datasheet

### RS PRO HDMI to SVGA & Audio Dongle with Cables

Stock number: 2369126

EN

The RSPRO HDMI to SVGA and Audio converter allows you to connect HDMI devices to SVGA devices/displays such as projectors. The 3.5mm stereo output enables you to also connect to audio equipment such as speakers.

- Easy to Use: Installs in seconds and does not need drivers
- Converts HDMI in to VGA video and audio
- Built in HDMI connector
- Input HDMI
- Output VGA
- 3.5mm Stereo output port
- DC 5 power port (if needed)
