FEATURES

- Green beam laser
- 1 x 360 degree horizontal and 2 x 360-degree vertical planes
- Horizontal and vertical 360-degree laser lines can be switched individually
- USB charging function
- Switchable line laser & replaceable window
- Self-Levelling
- Press button - switch the line modes to 7-line laser

RS PRO Multifunctional Laser Level

RS stock no: 230-7855

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Laser Levels

Product Description

RS PRO is proud to introduce this high-quality multifunction laser level for precision accuracy during construction and DIY applications. This superb cross-line, self-levelling device is the ideal workmate for DIY enthusiasts & engineers. It eliminates all the guesswork and endless calculations when you need straight lines.
The RS PRO Multifunctional Laser Level works by projecting continuous green horizontal and vertical light planes around a room making it easy to project plumb lines, hang paintings and install decorative features with 100% accuracy.

Kit Contents
Multifunctional Laser Level
Rechargeable Lithium Battery
Battery charger
Magnetic Pivoting Base
Green Laser target
Cloth case
User Manual

General Specifications

Laser class	Class II
Laser wavelength	520nm OSRAM
Laser	Green light
Levelling accuracy	+/-3mm /10m
Horizontal /vertical accuracy	+/- 3mn/10m
Levelling /compensation range	4° +/- 1°
Working distance (line)	45m
Operating time	1C: 15H, 2C: 10H, 3C: 5H
Power source	3.7V Li-ion battery
IP rating	IP54
Warning	Avoid direct exposure of the laser beam to the eyes
Operation temperature	-10~ +50
Storage temperature	-10~ +70
Pulse function	Yes
Model function	Switchable manual model
Product overall size	19 x 16 x15 cm
Product weight	1400 g
