

DB9F to Terminal Block Connector

Model BB-DGB9FT

ADVANTECH

www.advantech.com

KEY FEATURES

- + Easy, reliable field termination of DB9 cables
- + 9 separate connection points (DB9 connector)
- + Labeled terminal block with set screws
- + Voltage rating: 1000 Vac, 500 Vdc
- + Current rating: 3 Amps

Model BB-DGB9FT provides a convenient way to perform field termination of any DB9 cable. Separate connection points are provided for all nine positions of the connector plus ground. Terminal block design with set screws provides reliable electrical connections. The terminal block area is clearly marked making proper termination virtually fool-proof.
