Standard Diecut: ± 0.015 inch (± 0.381 mm)

Print to Diecut: ± 0.031 inch (± 0.7874 mm)

Art QC:

SIGNATURE & DATE

All artwork should be thoroughly inspected...

It is the responsibility of the customer to examine and proofread all artwork prior to printing. Should the art be found incorrect upon inspection, note the corrections and contact your Customer Experience Representative. Our company will not be liable for any loss or damage including, but not limited to, costs of revising artwork, reprinting of labels, overtime, production delays, or any other loss incurred resulting from improperly approved artwork. Art will be kept for two years after last run date unless otherwise specified. **NOTICE:** It is the responsibility of the customer to provide the proper relevant documentation surrounding the use of controlled UL Marks.
